

# Västerviks seglarskola

A photograph of three sailboats on a body of water during sunset. The sun is low on the horizon, creating a warm orange glow and a reflection on the water. The sailboats are white with dark sails. The largest sailboat in the foreground has the number '55' on its sail and 'SWE 511' written on it. The middle sailboat has 'SWE 432' and 'www.lindforssegel.nu' on its sail. The smallest sailboat in the background has 'S 417' on its sail. The background shows a shoreline with buildings and trees.
